

## **Notice Regarding Public Participation and Town Council/Town Staff Attendance**

Due to the COVID-19 (coronavirus) public health emergency, and in an effort to reduce in-person meetings that assemble large groups of people, Governor Greg Abbott has granted a temporary suspension of certain rules to allow for (1) town council members and town employees to participate in a town council meeting via videoconference call or other remote electronic means without a physical quorum of council members being present at the site of the meeting; and (2) the use of videoconferencing and other remote means to allow the public to observe the meeting and, when required, to participate in the public meeting.

To access the videoconference online, follow these instructions:

- To join the Zoom meeting, click <https://zoom.us/j/95539208369>.

Note: A physical quorum of the Town Council may not be present during the meeting as some Council Members may choose to participate in the meeting remotely as permitted by Governor Abbott's suspension of various statutes that may be interpreted to require face-to-face interaction between members of the public and public officials.
