

# **We have an opening date!!!**

**We are excited to announce that the Little Elm Senior Center will be reopening on Monday, April 5, 2021!**

**We will be opening with a limited schedule and participant limits in order to keep our seniors and staff as safe as possible. We appreciate your understanding during the opening transition and ask you to please follow procedures. Since we will be limiting attendance to allow for social distancing, you will need to call (972)731-1464 or (972) 731-1465 to reserve your spot in the class you wish to attend. You can call 72 hours before the class you wish to attend to register. You can register for the entire week or just a single class. Everything is on a first call, first serve basis.**

**The Senior Center will close down between each class to enable us to clean and reset. Please be aware that seniors will not be allowed to stay in the building between classes. And while we love our volunteers, this will be a staff only situation.**

**Next month we anticipate more activity offerings, based on our success in April.**

**In the meantime, we will still be doing bingo in the parking lot and drive by events. You do not need to register for bingo, but you will need to register for the drive by events.**

**We look forward to seeing everyone again!!!!**
